Hi Todd,

Thanks for the phone call a couple of days ago. Attached above is the application for the Grand Coulee Dam. I'll be sending the pdf of the signed letter along with the attachments on Tuesday with examples of draft and final 401 certifications. Looking forward to touching base on any questions you may have. I also talked with Ellie Key this morning about the status of her draft 401 certifications, so it may be worth talking with her about where they're at.

Hope you have a great weekend,
Jenny

Hi Todd and Ellie,
I just submitted the pre-draft Grand Coulee Dam permit and Fact Sheet for signature and will send you the signed letters once I have copies – hopefully on Friday. In the meanwhile, here are the pre-draft permit and fact sheet for your

consideration for the draft 401 certifications. We are asking that this not be widely shared as this is not the public comment draft. I'm looking forward to talking with each of you on this permit.
